

6th Grade: Mrs. Treusch's Class

6th Grade Textbooks:

Dear Sixth Grade Families,

Welcome back to school! I hope that everyone is ready for an exciting school year! I will be teaching your student Science, Social Studies, Literature, Religion, and Spelling/Vocabulary.

In Science, we will be using two textbooks (one is red and one is blue) in order to cover all the standards and topics we need to in sixth grade. Some of these topics include the solar system, plate tectonics, and rocks and minerals. In Literature, we will be reading from our textbook, but we will also read two novels together as a class. In Social Studies, students will be learning about world cultures and geography of the Eastern Hemisphere. In Religion, we will be using a workbook that students will be writing in. We will also be using Bibles to look up passages, and students will be learning a variety of prayers throughout the school year. In our Spelling/Vocabulary class, we will also be using workbooks that students will be writing in. Not only will students need to know how to spell their vocabulary words, but also their meanings, synonyms, antonyms, and usage.

Many of the student assignments this year will be posted and completed through Google Classroom. I will have a Google Classroom for every subject I teach, and Mrs. Darin and Mrs. Crotty will have Google Classrooms for the subjects they teach (English and Math, respectively). I will also have a Google Classroom in which I will post a daily agenda that will list the assignments for the day and other important information. Students can access any of their Google Classrooms from home, and parents and guardians can look over what we are working on as well. This will help students stay organized through the school year. I also have a 6th grade website, where I will post pictures from our class and important information and documents, such as permission slips or fliers.

I am excited to watch the sixth graders learn and grow this school year. If you have any questions, please email me at grade6@stjosephschooltrenton.com.

Sincerely,
Mrs. Treusch
